Rockefeller University played host to some of New York's most influential and notable names for the 17th Annual Women & Science Spring Lecture and Luncheon on May 15, 2014, which raised over \$1.7 million for the initiative. Dr. Elaine Fuchs, who was awarded the National Medal of Science in 2009 by President Obama, gave the lecture and oversaw an esteemed crowd that included Tory Burch, Ronnie Heyman, Justine Koons, Claudia Overstrom, Emily Rafferty, Amy Falls Rogers, Daryl Roth, and Laurie Tisch.
